Level 3

- Vulcanology
- Metallogeny
- Advanced Vehicle Power Plant
- High-Temperature Superconductivity
- Cybernetic Teleoperation
- Mobile Weapons Platform
- Focused Microwave Projection
- Environmental Psychology
- Leisure Studies
- Emergency Response Systems
- Health Maintenance
- Metals Reclamation
- Hydroponic Growing Media

Level 5

- Seismology
- **Lava Defenses**
- Robot-Assist Mechanic
- Robotic Image Processing
- Reinforced Vehicle Construction
- **Rare Ore Processing**
- Magnetohydrodynamics
- **Advanced Combat Chassis**
- **Rocket Propulsion**
- **Independent Turret Power Systems**
- Legged Robots
- **Electromagnetic Pulsing**
- **Heat Dissipation Systems**
- Hypnopaedia
- Public Performance
- DIRT Procedural Review
- Dissipating Adhesives
- Automated Diagnostic Examinations
- Recycler Postprocessing

Level 7

- Meteorology
- Advanced Robotic Manipulator Arm
- **Rare Ore Extraction**
- Hot-Cracking Column Efficiency
- Scout-class Drive Train Refit
- **Arachnid Weaponry**
- Explosive Charges
- Forum Reconfiguration
- Multiple Mine Projectile System
- **Smelter Postprocessing**
- **Space Program**

Level 8

- Severe Atmospheric Disturbances
- Efficiency Engineering
- **Reinforced Panther Construction**
- **Dual-Turret Weapons Systems**
- Enhanced Defensive Fortifications
- Spider Maintenance Software Revision
- **Scorpion Power Systems**
- **Arachnid Durability**
- High-Powered Explosives
- Disaster-Resistant Housing
- Multitainment Console Upgrade
- Reduced Foam Evaporation
- **Skydock**
- **Ion Drive Module**
- **Fusion Drive Module**
- **Fueling Systems**

Level 11

- Meteor Detection
- **Advanced Armoring Systems**
- **Rocket Atmospheric Re-entry System**
- **Orbital Package**
- **Extended-Range Projectile Launcher**
- **Grenade Loading Mechanism**
- **Habitat Ring**
- **Stasis Systems**
- **Command Module**
- **Sensor Package**
- **Solar Power**

Level 12

- **Phoenix Module**
